

All Around My Hat (G)

Steeleye Span

[G] All a [D] round my [G] hat I will wear the green [D] willow
 And [G] all around my hat for a twelve month [A] and a [D] day
 And if anyone should [G] ask me the [C] reason why I'm [Em] wearing it
 It's [G] all [D] for my [G] true love who's far, [D] far a [G] way

[G] Fare thee [D] well cold [G] winter and fare thee well cold [D] frost
 [G] Nothing have I gained but my own true [A] love I've [D] lost
 I'll sing and I'll be [G] merry when [C] occasion [Em] I do see
 He's a [G] false de[D]luding [G] young man, let him go, [D] farewell [G] he

[G] All a [D] round my [G] hat I will wear the green [D] willow
 And [G] all around my hat for a twelve month [A] and a [D] day
 And if anyone should [G] ask me the [C] reason why I'm [Em] wearing it
 It's [G] all [D] for my [G] true love who's far, [D] far a [G] way

The other [D] night he [G] brought me a fine diamond [D] ring
 But he [G] thought to have deprived me of a far [A] better [D] thing
 But I being [G] careful [C] like lovers [Em] ought to be
 He's a [G] false de[D]luding [G] young man, let him go, [D] farewell [G] he and

[G] All a [D] round my [G] hat I will wear the green [D] willow
 And [G] all around my hat for a twelve month [A] and a [D] day
 And if anyone should [G] ask me the [C] reason why I'm [Em] wearing it
 It's [G] all [D] for my [G] true love who's far, [D] far a [G] way

It's a quarter [D] pound of [G] reasons and a half a pound of [D] sense
 A [G] small sprig of time and as much of [A] pru [D] dence
 You mix them all [G] together and [C] you will [Em] plainly see
 He's a [G] false de[D]luding [G] young man, let him go, [D] farewell [G] he and

[G] All a [D] round my [G] hat I will wear the green [D] willow
 And [G] all around my hat for a twelve month [A] and a [D] day
 And if anyone should [G] ask me the [C] reason why I'm [Em] wearing it
 It's [G] all [D] for my [G] true love who's far, [D] far a [G] way
