

Both Sides Now

Joni Mitchell

[G] Bows and flows of [C] angel [G] hair,
 And ice cream [Bm] castles [C] in the [G] air,
 And feather [C] canyons everywhere:
 I've [Am] looked at clouds that [D] way.

But [G] now they only [C] block the [G] sun,
 They rain and [Bm] snow on [C] every [G] one.
 So many [C] things I could have done,
 But [Am] clouds got in my [D] way.

Chorus

I've [G] looked at clouds from [C] both sides [G] now,
 From [C] up and [G] down, and [C] still [G] somehow
 It's [Bm] clouds' illusions [C] I re [G] call
 I [C] really [G] don't know [C] clouds [D] at [G] all.

[G] Moons and Junes and [C] ferris [G] wheels,
 The dizzy, dancing [C] way you [G] feel,
 When every [C] fairy tale comes real:
 I've [Am] looked at love that [D] way.

But [G] now it's just an [C] other [G] show,
 You leave them [Bm] laughing [C] as you [G] go.
 And if you [C] care, don't let them know.
 Don't [Am] give yourself [D] away.

Chorus

Tears and fears and [C] feeling [G] proud,
 To say, "I [Bm] love you" [C] right out [G] loud;
 Dreams and [C] schemes and circus crowds;
 I've [Am] looked at life that [D] way.

But [G] now old friends are [C] acting [G] strange.
 They [Bm] shake their heads, they [C] say I've [G] changed.
 But something's [C] lost and something's gained
 In [Am] living every [D] day.

Chorus
