## Deep Blue Something

[D] [Dsus] [G] [Asus4] [D] [D] [Dsus] [G] [Asus4] [D]

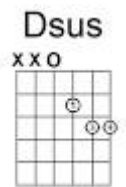

[D] You [Dsus] say that [G] we've got [Asus4] nothing in [D] common [Dsus],  
no [G] common [Asus4] ground to [D] start [Dsus] from,  
and [G] we're [Asus4] falling [D] apart. [Dsus] [G] [Asus4]  
[D] You'll [Dsus] say the [G] world has [Asus4] come between [D] us, [Dsus]  
our [G] lives [Asus4] have come [D] between [Dsus] us,  
still [G] I know [Asus4] you just don't [D] care [Dsus]. [G] [Asus4]

**Chorus:**

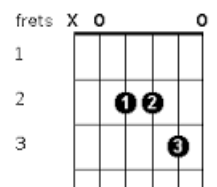

[D] And I said what about [A] Breakfast at [G] Tiffany's,  
she [D] said I think I re[A] member  
that [G] film and as [D] I recall I think we [A] both kind of [G] liked it,  
and [D] I said [Asus4] well that's the [A] one thing we've [G] got.

*Guitar solo*

[D] I see [Dsus] you're the [G] only [Asus4] one who knew [D] me [Dsus]  
and now [G] your [Asus4] eyes see [D] through [Dsus] me,  
I [G] guess [Asus4] I was [D] wrong [Dsus]. [G] [Asus4]  
[D] So what [Dsus] now it's [G] plain to [Asus4] see were [D] over [Dsus]  
and I [G] hate it when [Asus4] things are [D] over [Dsus]  
and so [G] much [Asus4] is left und [D] one. [Dsus] [G] [Asus4]
