

# Chasing Cars

*Snow Patrol*

[A]We'll do it all, [E] everyth[D]ing, on our ow[A]n.

[A]We don't need [E] anythi[D]ng, or any [A]one.

If I [A] lay here, if I just [E] lay here

Would you lie [D]with me, and just forget the [A]world.

[A]I don't quite [E]know how to [D]say how I feel [A]

[A]Those three [E]words, I said too [D]much, but not enou[A]gh.

[A]If I lay here, if I just [E] lay here

Would you [D]lie with me, and just forget [A]the world.

[A]Forget what we're told, before we get too [E] old

Show me a [D]garden that's bursting into [A]life.

[A]Let's waste time [E], chasing cars [D], around our he [A]ads.

[A]I need your grace [E] to remind [D]me, to find my [A]own.

[A]If I lay here, if I just [E] lay here

Would you lie [D]with me, and just forget the [A]world.

[A]Forget what we're told, before we get too [E] old

Show me a [D]garden that's bursting into [A]life.

[A]All that I am, all that [E]I ever was

Is here in your perfect [D]eyes, they're all I can [A]see

[A]I don't know where, confused about [E]how as well

just know that these thi[D]ngs will never change for us at [A]all.

[A]If I lay here, if I just [E] lay here

Would you lie [D]with me, and just forget [A]the world.
