

Don't Come The Cowboy With Me Sonny Jim

Kirsty McColl

[A] Some boys with warm beds and [D] cold cold hearts
 Can make you feel nothing at [A] all
 They'll [E7] never remember and [D] they'll never mind
 If you're [G] counting the cracks in the [D] wall
 They're [A] quick and they're greedy they [D] never feel guilty
 They don't know the meaning of [A] hurt
 The [E7] boots just go back on the [D] socks that had stayed on
 The [G] next time they see you they [D] treat you like dirt
 The [E7] next time they treat you like [A] dirt

Chorus:

Now [A] don't come the cowboy with [D] me Sonny Jim
 I know lots of those and you're [A] not one of them
 There's a [E7] light in your eyes tells me [F] somebody's in
 And you [E7] won't come the cowboy with [A] me

[A] Don't be too rough on my [D] cold cold heart
 It's all I've got left to me [A] now
 I [E7] fell out of favour with [D] heaven somewhere
 And I'm [G] here for the hell of it [D] now
 [A] Some girls play cowboys and [D] some boys play harder to get
 But they're got just the [A] same
 They [E7] smile and say cheese they're so [D] eager to please
 But they'll [G] never remember your [A] name
 The [E7] names and the places all [A] change

Chorus (begin "But don't come the cowboy")

Did [A] somebody tell you I'm [D] lonely as hell
 I didn't expect you to [A] know me so well
 If [E7] I learned a lesson it's [D] how to bounce back again
 [G] Sometimes I bounce off the [D] wall
 And [E7] sometimes my head hits the [A] floor

Chorus (begin "So don't come the cowboy")

Repeat Chorus
