

# Early In The Morning

*Vanity Fare*

[Am] [G] [Em] [Am] [G] [Em]

[Am] Evening is the [Dm] time of [E7] day  
 [G] I find nothing [C] much to [Am7] say  
 [Am] Don't know what to [E7] do, but I come [Am] to

## CHORUS

When it's [Dm] early in the morning  
 Over by the [C] window day is dawning  
 When I feel the [G] air I feel that life is  
 very good to [C] me, you [E7] know  
 In the [Dm] sun there's so much yellow  
 something in the [C] early morning meadow  
 Tells me that to [G] day you're on your way  
 And you'll be coming [C] home, home to [E7] me

[Am] [G] [Em]

[Am] Night time isn't [Dm] clear to [E7] me  
 [G] I find nothing [C] near to [Am7] me  
 [Am] Don't know what to [E7] do but I come [Am] to

When it's [Dm] early in the morning  
 Very, very [C] early without warning  
 I can feel a [G] newly born vibration  
 Sneaking up on [C] me [E7] again  
 There's a [Dm] song bird on my pillow  
 I can see the [C] funny weeping willow  
 I can see the [G] sun you're on your way  
 and you'll be coming [C] ho - [E7] home

[Am] Evening is the [Dm] time of [E7] day  
 [G] I find nothing [C] much to [Am7] say  
 [Am] Don't know what to [E7] do, but I come [Am] to

When it's [Dm] early in the morning  
 Over by the [C] window day is dawning  
 When I feel the [G] air I feel that life is  
 very good to [C] me, you [E7] know  
 In the [Dm] sun there's so much yellow  
 something in the [C] early morning meadow  
 Tells me that to [G] day you're on your way  
 And you'll be coming [C] home, home to [E7] me [Am]
