

# Fade Away (I Don't Want To)

*Chumbawamba*

[C]Some set their hearts on a [F]rocking[C] chair  
 The better to sleep out the [G]days  
 [Am]But I'm looking for a [G]reason to [F]kick and [G]scream  
 [F]I don't want to [G]fade [C]away  
 Fade [F]away, fade [G]away, [F]I don't [G]want to fade [C]away

[C]We think that the power is [F]in our [C]hands  
 'Cos we're holding the remote [G]control  
 Pile [Am]up the [G]lot and [F]what've you [G]got?  
 [Em]Bitter-sweet nothing at [F]all

[C]Some set their hearts on a [F]rocking[C] chair  
 The better to sleep out the [G]days  
 [Am]But I'm looking for a [G]reason to [F]kick and [G]scream  
 [F]I don't want to [G]fade [C]away  
 Fade [F]away, fade [G]away, [F]I don't [G]want to fade [C]away

[C]It's a mighty long way from my [F]own front [C]door  
 To the world we were going to [G]make  
 We got [Am]bloodied and [G]bruised for the [F]old ex[G]cuse  
 That it's [Em]hard just staying [F]awake

[C]Some set their hearts on a [F]rocking[C] chair  
 The better to sleep out the [G]days  
 [Am]But I'm looking for a [G]reason to [F]kick and [G]scream  
 [F]I don't want to [G]fade [C]away  
 Fade [F]away, fade [G]away, [F]I don't [G]want to fade [C]away

[C]Wake me up if you [F]catch me [C]falling  
 Gently into the [G]night  
 Shine up[Am] my shoes [G]'cos I [F]can't get [G]used  
 [Em]To the dying of the [F]light

[C]Some set their hearts on a [F]rocking[C] chair  
 The better to sleep out the [G]days  
 [Am]But I'm looking for a [G]reason to [F]kick and [G]scream  
 [F]I don't want to [G]fade [C]away  
 Fade [F]away, fade [G]away, [F]I don't [G]want to fade [C]away  
 Fade [F]away, fade [G]away, [F]I don't [G]want to fade [C]away
