

Frank Delandry

*Brooks Williams***[G] [C] [G] [C]**

The **[G]** voices on the **[C]** levee are **[G]** quiet now **[C]**
 The **[G]** only sound **[C]** is the **[Em]** river **[D]**
 And the **[G]** boats **[C]** head in to New **[G]** Orleans **[C]**
 With there **[G]** lights **[C]** blazing in the **[Em]** distance **[D]**
 Like the **[Am]**nig -- **[D]**ht **[Bm]** Frank Delan**[A]**dry **[G]**died

[G] [C] [G] [C]

[G]Frank played **[C]**guitar down at the **[G]**hotel **[C]**
[G]Five nights a **[C]** week and all weekend **[Em]** long **[D]**
 And the **[G]** notes that he **[C]** played **[G]** washed like the **[C]** waves
 On the **[G]** rough and tumble **[C]** jetty down the **[Em]** line **[D]**
 Like the **[Am]**nig -- **[D]**ht **[Bm]** Frank Delan **[A]** dry **[G]** died

[G] [C] [G] [C]

On the **[Em]** night that frank **[D]** Delandy died
 there **[Em]** were no witnesses **[G]** too describe
[Em] what had happened, **[D]** what went wrong
[Em] Where Frank Delan **[G]** drey had **[D]** (ring) gone

[G] [C] [G] [C]

[G] Working women **[C]** down at the **[G]** hotel **[C]**
 Used to **[G]** sit on the **[C]** stairs and **[Em]** listen **[D]**
 And the **[G]** music that he **[C]** played **[G]** cairned them **[C]** away
 On **[G]** waves of memory **[C]** and lost **[Em]** love **[D]**
 Like the **[Am]**nig -- **[D]**ht **[Bm]** Frank Delan**[A]**dry **[G]**died

[G] [C] [G] [C]

[G] People crowded **[C]** round the open **[G]** windows **[C]**
[G] Just to hear that **[C]** guitar man **[Em]** play **[D]**
 Well they **[G]** came from **[C]** up and down the **[G]** river **[C]**
[G] Some as far as **[C]** 15 miles **[Em]** away **[D]**
 Like the **[Am]**nig -- **[D]**ht **[Bm]** Frank Delan**[A]**dry **[G]**died

[G] [C] [G] [C]

On the **[Em]** night that frank **[D]** Delandy died
 there **[Em]** were no witnesses **[G]** too describe
[Em] what had happened, **[D]** what went wrong
[Em] Where Frank Delan **[G]** drey had **[D]** (ring) gone

[G] [C] [G] [C]

(single strums and quiet)
 The **[G]** voices on the **[C]** levee are **[G]** quiet now **[G]**
