

## How Sweet It Is to Be Loved by You

*Marvin Gaye*

[F] How sweet it [Dm7]is, to be [G7]loved by [C]you.[C7]

[F] How sweet it [Dm7]is, to be [G7]loved by [C]you.[F7]

I [C]needed the shelter, of [Am]someone's arms;[G7] and there you[F7] were.

I [C]needed someone to [Am]understand my up's and downs;[G7] and there you [F7]were.

[C] With sweet love and de-[F7]votion,

[C] Deeply touching my e-[F7]motion.

I [C]want to stop, and thank you, [F7]baby,

I [C]want to stop, and thank you, [F7]baby.

[F] How sweet it [Dm7]is, to be [G7]loved by [C]you.[C7]

[F] How sweet it [Dm7]is, to be [G7]loved by [C]you.[F7]

I [C]close my eyes at [Am]night;

[G7] And wonder what would I be, without [F7]you in my life?

[C] Everything [Am]was just a bore,[G] All the things I did,

[F7] Seems I done 'em before.

[C] But you brightened up, [F7]all my days,

[C] With a love so [F7]sweet, in so many ways.

I [C]want to stop, and thank you, [F7]baby,

I [C]want to stop, and thank you, [F7]baby.

[F] How sweet it [Dm7]is, to be [G7]loved by [C]you.[C7]

[F] How sweet it [Dm7]is, to be [G7]loved by [C]you.[F7]

[C] You were better to me, than I [F7]been for myself;

[C] For me, there's you, and [F7]nobody else.

I [C]want to stop, and thank you, [F7]baby,

I [C]want to stop, and thank you, [F7]baby.

[F] How sweet it [Dm7]is, to be [G7]loved by [C]you.[C7]
