

I Wish That They'd Sack Me

Chumbawamba

[C]Six in the [F]morning, [Em7]don't want to [Am]wake
 [C]Sun laying [F]low and the [Am]world sleeping [F]late
 [C]Hate like the [F]river, runs [Em7]heavy and [Am]deep
 Oh I [C]wish that they'd [F]sack me and [G]leave me to [C]sleep

[C]Five days from [F]seven the [Em7]week's hardly [Am]mine
 The [C]alarm clocks gone [F]over to [Am]enemy [F]lines
 [C]Waste my time [F]working for [Em7]cowards and [Am]creeps
 Oh I [C]wish that they'd [F]sack me and [G]leave me to [C]sleep

[G]Rain strikes the window, [Am]heralds the day
 [F]Rain won't you wash these eight hours a[G]way?
 [C]Rain feeds the [F]river, runs [Em7]heavy and [Am]deep
 Oh I [C]wish that they'd [F]sack me and [G]leave me to [C]sleep

[C]Birds at my [F]window [Em7]sing in the [Am]dawn
 By the [C]time that I'm [F]home all this [Am]day will be [F]gone
 [C]Spend my life [F]sowing what [Em7]others will [Am]reap
 Oh I [C]wish that they'd [F]sack me and [G]leave me to [C]sleep

[G]Rain strikes the window, [Am]heralds the day
 [F]Rain won't you wash these eight hours a[G]way?
 [C]Rain feeds the [F]river, runs [Em7]heavy and [Am]deep
 Oh I [C]wish that they'd [F]sack me and [G]leave me to [C]sleep

[G]Rain strikes the window, [Am]heralds the day
 [F]Rain won't you wash these eight hours a[G]way?
 [C]Rain feeds the [F]river, runs [Em7]heavy and [Am]deep
 Oh I [C]wish that they'd [F]sack me and [G]leave me to [C]sleep
