

## In Dreams

*Roy Orbison*

[C]A candy colored clown they call the [Am] sandman  
 [Dm]Tiptoes to my room every [G13]night  
 [C]Just to sprinkle stardust and to [Am] whisper  
 Go to [F]sleep, everyth [G7]ing is all ri [C]ght

I close my [C]eyes  
 Then I drift [Dm]away  
 Into the [G7]magic night  
 I softly [C]say

A silent [C]prayer  
 Like dreamers [Dm]do  
 Then I fall asl [G7]eep to dream  
 My dreams of [C]you

In dr [C]eams I walk with [G7]you  
 In dr [F]eams I [G7]talk to [C]you  
 In dr [C]eams you're mine  
 [D7]All of the time, we're  
 Tog [C]et [Dm]her [G]in dr [C]eams, [Dm]in dr [G7]eams

But [C]just bef [Fm]ore the [C]dawn  
 I aw [C]ake and [Fm]find you're [C]gone  
 I can't [C]help it /stop/ I can't help it /stop/ if I [Dm]cry  
 [G7]I remember /stop/ that you said /stop/ [C]goodbye

It's too [C]bad that [F]all these [G7]things  
 Can only h [C]appen [F]in my dr [G7]eams  
 O [C]nly in dr [D7]eams  
 In [Dm7]beau [G7]tiful dr [C]eams
