

Island of Dreams

*The Springfields***[D]**

[D] I wander the streets
 And the **[G]** gay crowded **[D]** places
[E7] Trying to for**[A7]**get you
 But **[E7]** somehow it **[A7]** seems
 That my **[D]** thoughts ever stray
 To our **[G]** last sweet em**[D]**braces
[F#m] Over the **[Bm]** sea **[G]** on the **[A7]** island of **[D]** dreams

[C] High in the **[A7]** sky is a **[D]** bird on a **[F#m]** wing
[G] Please **[D]** carry me **[C]** with **[A7]** you
[C] Far far a**[A7]**way from the **[D]** mad rushing **[F#m]** crowd
[G] Please **[D]** carry me **[C]** with **[A7]** you

A**[D]**gain I would wander
 Where **[G]** memories en**[D]**fold me
[F#m] There on the **[Bm]** beautiful **[A7]** island of **[D]** dreams

[C] High in the **[A7]** sky is a **[D]** bird on a **[F#m]** wing
[G] Please **[D]** carry me **[C]** with **[A7]** you
[C] Far far a**[A7]**way from the **[D]** mad rushing **[F#m]** crowd
[G] Please **[D]** carry me **[C]** with **[A7]** you

A**[D]**gain I would wander
 Where **[G]** memories en**[D]**fold me
[F#m] There on the **[Bm]** beautiful **[A7]** island of **[D]** dreams
[F#m] far, far a**[Bm]**way on the **[A]** island of **[D]** dreams
