

Keep Your Distance

Richard Thompson

Intro: [G][C][G][C]

If I [G]cross your path again
 Who knows where, who knows [C]when
 On some [G]morning without [D]number
 On some [C]highway without end [D]
 Don't [G]grasp my hand and say
 Fate has brought us here to[C]day
 Oh [G]fate is only [D]fooling with us [C]friend [D][G]

Chorus:

Keep your [C]distance, keep your [G]distance
 [Em]When I feel you [D/F#]close to me what [C]can I do but [D]fall
 Keep your [C]distance, keep your [G]distance [C]
 For with [G]us it must be [D]all or none at [C]all [D][G]
 [G][D][C][D][G]

It's a [G]desperate game we play
 Throw our souls, our lives a[C]way
 On [G]wounds that can't be [D]mended
 And [C]debts that can't be paid [D]
 Well I [G]played and I got stung
 Now I'm biting back my [C]tongue
 And [G]sweeping out the [D]footprints where I [C]strayed [D][G]

Chorus:

Keep your [C]distance, keep your [G]distance
 [Em]When I feel you [D/F#]close to me what [C]can I do but [D]fall
 Keep your [C]distance, keep your [G]distance [C]
 For with [G]us it must be [D]all or none at [C]all [D][G]

Chorus:

Keep your [C]distance, keep your [G]distance
 [Em]When I feel you [D/F#]close to me what [C]can I do but [D]fall
 Keep your [C]distance, keep your [G]distance [C]
 For with [G]us it must be [D]all or none at [C]all [D][G]
 For with us it must be [D]all or none at [C]all [D][G]
