

Love is the way

Eddie Reader

[C]Love is the way,
 [Em]Love is the way,
 [Dm]Love is the [G]way you lead [C]me.

[C]Love is the way,
 [Em]Love is the way,
 [Dm]Love is the [G]way you lead [C]me.

In the [Em]light of this day, all [Dm]things make sense somehow.
 It's like I've [Em]been in a haze for what [G]seems like years now.
 Well I [Em]suppose I am drawn to [Dm]bright and beautiful things,
 And I [Em]suppose I am home every [G]time I am in your company.

[C]Love is the way,
 [Em]Love is the way,
 [Dm]Love is the [G]way you lead [C]me.

[C]Love is the way,
 [Em]Love is the way,
 [Dm]Love is the [G]way you lead [C]me.

All the [Em]moments we share just between [Dm]me and you,
 Are [Em]among those I'd care to [G]treasure my whole life through.
 I don't [Em]know where we're going; who knows what [Dm]we can be?
 I just [Em]know we are glowing, we have [G]so many possibilities

[C]Love is the way,
 [Em]Love is the way,
 [Dm]Love is the [G]way you lead [C]me.

[C]Love is the way,
 [Em]Love is the way,
 [Dm]Love is the [G]way you lead [C]me.

[Dm]Love is the [G]way you lead [C]me.
