

# Make You Feel My Love

*Bob Dylan*

**[A][E][G][D][Dm][A][B7][D][A]**  
**[A]**When the rain is blowin' **[E]**in your face**[G]**  
 And the whole world is **[D]**on your case**[Dm]**  
 I could offer you a **[A]**warm embrace**[B7]**  
 To make you **[D]**feel my **[A]**love.

**[A]**When the evening shadows and the **[E]**stars appear**[G]**  
 And there is**[D]** no one there **[Dm]**to dry your tears  
 I could hold you for a **[A]**million years**[B7]**  
 To make you **[D]**feel my **[A]**love.

**[D]**I know you haven't made your **[A]**mind up yet**[A7]**  
 But I would **[D]**never do you **[A]**wrong**[A7]**  
**[D]**I've known it from the moment **[A]**that we met**[B7]**  
 No doubt in my mind where **[E]**you belong.**[E7]**

**[A]**I'd go hungry, I'd go **[E]**black and blue**[G]**  
 I'd go crawlin' down the **[D]**avenue**[Dm]**  
 No, there's nothin' that I **[A]**wouldn't do**[B7]**  
 To make you **[D]**feel my **[A]**love.

break

**[D]**The storms are raging on the **[A]**rollin' sea**[A7]**  
 And on the **[D]**highway of **[A]**regrets**[A7]**  
**[D]**The winds of change are blowing **[A]**wild and free**[B7]**  
 You ain't seen nothin' like **[E]**me yet.**[E7]**

**[A]**I could make you happy, make your **[E]**dreams come true**[G]**  
 There's nothing that I **[D]**wouldn't do**[Dm]**  
 Go to the ends of the **[A]**Earth for you**[B7]**  
 To make you **[D]**feel my **[A]**love.
