

## New England

*Billy Bragg*

[G]I was twenty one years when I wrote this song  
I'm [D]twenty two now, but I [Em]won't be for long  
[C]People ask me when will you [G]grow up to be a man  
But all the [D]girls I loved at school  
Are al[C]ready pushing pra[G]ms

[G]I loved you then as I love you still  
Though I [D]put you on a pedestal  
They [Em]put you on the pill  
I [C]don't feel bad about [G]letting you go  
I [D]just feel sad about [C]letting you know

[C]I don't want to change the [G]world, I'm not looking for a new [Em]England  
I'm just [C]looking for another [D]girl  
[C]I don't want to change the [G]world, I'm not looking for a new [Em]England  
I'm just [C]looking for another [G]girl

[G]I loved the words you wrote to me  
But [D]that was bloody [Em]yesterday  
I [C]can't survive on [G]what you send  
Eve[D]ry time you [C]need a friend[G]

[G]I saw two shooting stars last night  
[D]I wished on them but [Em]they were only satellites  
[C]Its wrong to wish on [G]space hardware  
I [D]wish, I wish, I [C]wish you'd care

[C]I don't want to change the [G]world, I'm not looking for a new [Em]England  
I'm just [C]looking for another [D]girl  
[C]I don't want to change the [G]world, I'm not looking for a new [Em]England  
I'm just [C]looking for another [G]girl

[C]Looking for another [G]girl  
[C]Looking for another [G]girl  
[C]Looking for another [G]girl
