

# Out of Time

*Jagger - Richards*

[C]You don't know what's going on  
 [G]You've been away for far too long  
 [F]You can't come back and think you are still[C]mine  
 You're out of touch my [F]baby  
 My [G7]poor discarded [C]baby  
 I said, [F]baby, baby, [G7]baby, you're out of [C]time

Well, baby, baby, baby, you're out of [G7]time  
 I said, [Am]baby, baby, baby, you're out of [F]time  
 You are all left [C]out [F][C]  
 [F]Out of there without a doubt  
 'Cause [C]baby, baby, [G7] baby, you're out of [C]time

[C]The girl that wants to run away  
 [G]Discovers that she's had her day  
 [F]It's no good you're thinking that you are still [C]mine  
 You're[C] out of touch, my[F] baby  
 My [G7]poor unfaithful[C] baby  
 I said, [F]baby, baby, [G7] baby, you're out of [C]time

Well, baby, baby, baby, you're out of[G7] time  
 I said, [Am]baby, baby, baby you're out of[F] time  
 Yes, you are all left [C]out [F][C]  
 [F]Out of there without a doubt  
 'Cause [C]baby, baby, [G7]baby, you're out of [C]time

[C]You thought you were a clever girl  
 [G]Giving up your social whirl  
 [F]But you can't come back and be the first in [C] line, [F][C]oh no  
 You're[C] obsolete my[F] baby  
 My [G7]poor old-fashioned[C] baby  
 I said [F]baby, baby, [G7]baby you're out of[C] time

Well, baby, baby, baby, you're out of [G7]time  
 I said, [Am]baby, baby, baby, you're out of[F] time  
 Yes, you are left [C]out [F][C]  
 [F]Out of there without a doubt  
 'Cause [C]baby, baby, [G7]baby, you're out of[C] time

Sing the song....

I said, baby baby, baby, you're out of [G7]time etc
