[C] Seems like everybody's got a [Em] price
I wonder how they sleep at [Am] night
When the sale comes first and the [F] truth comes second
Just stop, for a minute and [C] Smile
Why is everybody so [Em] serious, acting so damn [Am] mysterious
You got your shades on your eyes and your [F] heels so high
That you can't even have a good [C] Time

Everybody look to their [Em] left (yeah) Everybody look to their [Am] right (ha)
Can you feel that (yeah) we'll [F] pay them with love tonight

It's not about the [C] money, money, money
We don't need your [Em] money, money, money
We just wanna make the [Am] world dance, forget about the [F] Price Tag
Ain't about the [C] (ha) Ka-Ching Ka-Ching
Ain't about the [Em] (yeah) Ba-Bling Ba-Bling
Wanna make the [Am] world dance forget about the [F] Price Tag

[C] We need to take it back in [Em] time, when music made us all U[Am]nite
And it wasn't low blows and [F] video hoes
Am I the only one getting [C] Tired?

Why is everybody so ob[Em]sessed? Money can't buy us [Am] happiness
If we all slow down and [F] enjoy right now
Guarantee we'll be feelin' al[C]right.
