[F] Anyway, what you gonna do **[G]** about it?

[Chorus]

Juli**[C]**et, **[G]** the dice was **[Am]** loaded from the **[F]** start
 And I **[C]**bet, **[G]** and you ex**[Am]**ploded in my **[F]** heart
 And I for**[C]**get, I for**[Am]**get**[F]** the movie song
[Dm] When you gonna **[C]**realize it was **[F]** just that the time was wrong,
[Am][G][C] Juliet?

[C] Come up on different streets, **[G][Am]** they both were streets of shame **[G][C]**
 Both dirty, both mean, **[G][Am]** yes - and the dream was **[F]** just the same
[G] And I dreamed your dream for you **[F][G]** and now your dream is **[C]** real
[F] How can you look at me as if I was just another **[G]** one of your deals

Well, you can **[C]** fall for chains of silver, **[G][Am]** you can fall for chains of gold
[G][C]

You can fall for pretty strangers **[G][Am]** and the **[F]** promi-ses they hold
[G] You promised me everything, **[F][G]** you promised me **[C]** thick and thin yeah
[F] Now you just say oh Romeo yeah, I **[G]** used to have a scene with him

[Chorus]

Juli**[C]**et, **[G]** when we made **[Am]** love you used to **[F]** cry

You said I **[C]** love you like the **[G]** stars above, I'll **[Am]** love you till I **[F]** die
 There's a **[C]** place for **[Am]** us, **[F]** you know the movie song
[Dm] When you gonna **[C]** realize it was **[F]** just that the time was **[Am]** wrong,
[G][C]Juliet?

[C] [G][F]
[C] [G][F]

[Verse]

[C] I can't do the talk **[G][Am]** like they talk on the TV **[G][C]**
 And I can't do a love song **[G][Am]** like the way it's **[F]** meant to be
[G] I can't do everything, **[F][G]** but I'd do anything for you **[C]**
[F] I can't do anything except. **[G]** be. in. love. with. you.

[C] And all I do is miss you **[G][Am]** and the way-we-used-to-be **[G][C]**
 All I do is keep the beat **[G][Am]** and bad **[F]** company
[G] All I do is kiss you **[F][G]** through the bars of a **[C]** rhyme
[F] Juliet I'd do the staaars with you **[G]** anytime

[Chorus]

Juli**[C]**et, **[G]** when we made **[Am]** love you used to **[F]** cry
 You said I **[C]** love you like the **[G]** stars above, I'll **[Am]** love you till I **[F]** die
 There's a **[C]** place for **[Am]** us, **[F]** you know the movie song

[G][C]Juliet?
