

Rough with the smooth

Phil Beer

[G] [C] [G] [C]

What a **[G]** summer we've had. The **[D]** weathers been bad
 Its **[C]** looks like were **[Am]** in for some **[D]** more **[G/D]**
 Its **[G]** good for my peas Its **[D]** bad for my knees
 And **[G]** hope they **[C]** do **[G]** get **[D]** sore **[G/D]**
 But **[G]** Im not complaining the **[D]** wind and the rain can **[C]** do what the lord want them too
[C][Cm]
 when **[G]** seventy two, theres **[C]** not much too **[G]** do
 But **[C]** just take the **[D]** rough with the **[G]** smooth

[G] [C] [G] [C]

[G] Athritis moved in all **[D]** under my skin
[C] He treats every **[Am]** joint like his **[D]** own **[G/D]**
 When **[G]** down comes the rain. It **[D]** eats me with pain
 Its **[G]** right down **[C]** to the **[D]** bone **[G/D]**
 He **[G]** makes me to stumble. He **[D]** makes me to crumble. I'm **[C]** humbled right down to my
 shoes **[C][Cm]**
 When he **[G]** calls upon you, theres **[C]** not much too **[G]** do
 But **[C]** just take the **[D]** rough with the **[G]** smooth

[G] [C] [G] [C]

Now my **[G]** daughters been good, she's **[D]** done all she could
 To **[C]** keep me from **[Am]** ending up **[D]** here **[G/D]**
 She **[G]** said if I care, I could **[D]** move in with **[G]** her
 Of **[G]** course I **[C]** said **[G]** no **[D]** fear **[G/D]**
 I **[G]** don't want no charity, no **[D]** flannel nor flattery. **[C]** Pride is the last thing to loose
[C][Cm]
 I'd just **[G]** rather stay, here **[C]** out of the **[G]** way
 And **[C]** just take the **[D]** rough with the **[G]** smooth

[G] [C] [G] [C]

[G] Now times getting on, its **[D]** time I was gone
[C] Back to my **[Am]** home from **[D]** home **[G/D]**
 If I **[G]** had any more, i'll be **[D]** out on the floor
 and **[G]** god knows **[C]** where I'd **[D]** roam **[G/D]**
[G] forgive an old stager **[D]** until out of range. **[C]** Old age must be given its dues **[C][Cm]**
 When he **[G]** calls upon you, theres **[C]** not much too **[G]** do
[C] But Just take **[D]** the rough with the **[G]** smooth

Yes you **[Am]** do **[C]** take the **[D]** rough with the **[G]** smooth
 Yes you **[Am]** do **[C]** take the **[D]** rough with the **[G]** smooth
[C] And **[G]** you **[Am]** do **[G/C]** take the **[D]** rough with **[G]** the smooth
[G] [C] [G] [C] [G]
