

Somewhere Along The Road

[C] Some [G7] where a [C] long the [F] road
 Someone [G7] waits for [C] me
 Beyond these [G7] present [C] storms that [F] blow
 Waiting [G7] patient [C] ly
 No [F] secrets [C] held in an [F] open [C] heart
 A [F] spirit that [C] soars over [G7] mountains
 [C] Some [G7] where a [C] long the [F] road
 Someone [G7] waits for [C] me

Some [G7] how a [C] guiding [F] light
 Always [G7] shows the [C] way
 To those that [G7] lose their [C] way by [F] night
 Searching [G7] for the [C] day
 A [F] day a [C] way from [G7] happi [C] ness
 To [F] morrow will [C] be a new [G7] sunrise
 [C] Some [G7] where a [C] long the [F] road
 Someone [G7] waits for [C] me

Some [G7] time when [C] winds are [F] still
 Unex [G7] pected [C] ly
 Perhaps be [G7] yond this [C] silent [F] hill
 A voice will [G7] call to [C] me
 [F] Raise your [C] eyes to [F] see my [C] world
 [F] Raise your [C] voice and [G7] sing out
 [C] Some [G7] where a [C] long the [F] road
 Someone [G7] waits for [C] me
