

Take It To The Limit

Eagles

All a[C]lone at the end of the ev[F]ening and the br[C]ight lights have faded to
 b[F]lue, I was thi[C]nking about a w[Em]omen who might of lo[Am]ved me and I
 never kn[G]ew,

you know I've always been a dre[C]amer spent my life run[F]ning 'round and it's
 so hard to ch[C]ange - can't seem to se[F]ttle down but the dreams I've seen
 la[Dm]tely keep [F]on turning out and bur[G]ning out and tur[F]ning the
 sam[G]e

So p[F]ut me on a hig[C]hway, and sh[F]ow me a si[C]gn
 and ta[F*]ke it to the li[G]mit one more ti[C]me [G-F]

You can s[C]pend all your time making mo[F]ney and you can s[C]pend all your
 love

making ti[F]me but if a[C]ll fell to p[Em]ieces to mo[Am]rrow would you still be
 m[G]ine? and

when your looking for your fre[C]edom nobody s[F]eems to care and when you
 can't

find the d[C]oor can't find it anyw[F]here and theres nothing to be[Dm]lieve in still
 your c[F]oming back your ru[G]nning back your [F]coming back for mor[G]e

So p[F]ut me on a hig[C]hway, and sh[F]ow me a si[C]gn
 and ta[F*]ke it to the li[G]mit one more ti[C]me [G-F](x2)

ta[F*]ke it to the li[G]mit (come on and)

ta[F*]ke it to the li[G]mit (you gotta)

ta[F*]ke it to the li[G]mit one more t[C]ime (x3)

(when you see * its a pause)
