[G] [Em7] [G] [Em7]

The smash of glass and the rumble of boots
 An electric train and a ripped up phone booth
 Paint splattered walls and the cry of a tomcat
 Lights going out and a kick in the balls

That's entertainment, That's entertainment

Days of speed and slow time Mondays
 Pissing down with rain on a boring Wednesday
 Watching the news and not eating your tea
 A freezing cold flat, and damp on the walls

That's entertainment, That's entertainment

Waking up from bad dreams and smoking cigarettes
 Cuddling a warm girl and smelling stale perfume
 A hot summer's day and sticky black tarmac
 Feeding ducks in the park and wishing you were far away

That's entertainment, That's entertainment

To lovers kissing amongst the scream of midnight
 To lovers missing the tranquillity of solitude
 Getting a cab and travelling on buses
 Reading the graffiti about slashed seat affairs

That's entertainment, That's entertainment
