

The Coast

The Courtyard Hounds

I'm gonna [C]head down to the [Em]coast
 Where [F]nothin' ever seems to [C]matter
 You know I [C]love it there the[Em] most
 When every [F]piece of my world gets [C]scattered

Blue [G]skies, green [C]water, White [G]birds in the [C]air
 Brown [G]skin, blue [C]collar, And the [Bb]wind blowin' in my hair[F][F]

And I [C]wrote you this little [Em]note
 And I [F]never even sent the [C]letter
 But I [C]still want you to[Em] know
 I found a [F]place I feel a whole lot [C]better with

Blue [G]skies, green [C]water, White [G]birds in the [C]air
 Brown [G]skin, blue [C]collar, And the [Bb]wind blowin' in my hair[F][F]

[C] [Em] [F] [C] [C] [Em] [F] [C]

Blue [G]skies, green [C]water, White [G]birds in the [C]air
 Brown [G]skin, blue [C]collar' And the [Bb]wind blowin' in my hair[F][F]

I'm gonna [C]leave my old winter [Em]coat
 And I [F]won't even need a [C]sweater
 I'm gonna [C]sit out on a [Em]boat
 'Cause it's [F]time for some sunny [C]weather and

Blue [G]skies, green [C]water, White [G]birds in the [C]air
 Brown [G]skin, blue [C]collar, And the [Bb]wind blowin' in my hair[F][F]
 In my [C] hair

Blue [G]sky, green [C]water, White [G]birds in the [C]air
 Brown [G]skin, blue [C]collar, And the [Bb]wind blowin' in my hair
 And the [Bb]wind blowin' in my hair[F][F]
