

## This is the life

*Amy Macdonald***[Bm][G][D][F#]**

**[Bm]**Oh the wind whistles down  
 The **[G]**cold dark street tonight  
 And the **[D]**people they were dancing **[F#]**to the music vibe  
 And the **[Bm]**boys chase the girls  
 With the curls in their hair  
 And the **[G]**shy tormented youth sit way over there  
 And the **[D]**songs they get louder  
 Each one better than be **[F#]**fore

**Chorus: [Bm]**And you're singing the songs  
 Thinking this is the life  
 And you wake up in the **[G]**morning and your head feels twice the size  
 Where you gonna **[D]**go  
 Where you gonna go  
 Where you gonna sleep to **[F#]**night  
**[Bm]**And you're singing the songs  
 Thinking this is the life  
 And you **[G]**wake up in the morning and your head feels twice the size  
**[D]**Where you gonna go  
 Where you gonna go  
 Where you gonna sleep **[F#]**tonight

**Bridge: [Bm][G][D][F#]**

**[Bm]**So you're heading down the road  
 In your taxi for four  
 And you're **[G]**waiting outside Jimmy's front door  
 But **[D]**nobody's in and nobody's home 'til **[F#]**four  
 So you're **[Bm]**sitting there with nothing to do  
 T**[G]**alking about Robert Riger and his motley crew  
 And **[D]**where you're gonna go and where you're gonna sleep tonight **[F#]**

Repeat Chorus - Repeat Bridge twice - Repeat Chorus twice Repeat Bridge
