

## Way over yonder in the minor key

*Billy Bragg*

{Capo 4}

[G] [C] [C] [G]

I [G]lived in a place called Olfuskee, [C]  
and I had a [C] little girl in a holler tree. [G]

I [G]said, little girl, it's plain to see, [C]  
[C]ain't nobody that can sing like me, [G]  
[D]ain't nobody that can sing like me. [Em]

She [G]said it's hard for me to see, [C]  
how [C]one little boy got so ugly. [G]  
Yes, [G]my little girly, that might be, [C]  
but there ain't [C]nobody that can sing like me, [G]  
[D] ain't nobody that can sing like me. [Em]

**Way [C]over yonder in the minor key, [G] [Am]way over yonder in the minor key, [G]  
there ain't [D]nobody that can sing like me. [Em]**

We walked [G]on down by the buckeye creek [C]  
to see [C]the frog eat the goggle-eyed bee, [G]  
to hear [G]that west wind whistle to the east, [C]  
there [C]ain't nobody that can sing like me, [G]  
[D] ain't nobody that can sing like me. [Em]

Oh, [G]my little girly, will you let me see [C]  
way [C]over yonder where the wind blows free ? [G]  
No [G]body can see in our holler tree, [C]  
and there [C]ain't nobody that can sing like me. [G]  
[D] ain't nobody that can sing like me. [Em]

### Chorus

Her mama [G]cut a twig from a cherry tree, [C]  
and laid it [C] on the she and me. [G]  
It stung [G] much worse than the hive of bees, [C]  
but there ain't [C] nobody that can sing like me. [G]  
[D] ain't nobody that can sing like me. [Em]

Now I [G]have walked a long, long ways, [C]  
but I still [C] look back to my tangle wood days. [G]  
I've led [G] lots of girls since then to stray [C]  
saying, ain't [C] nobody that can sing like me. [G]  
[D] ain't nobody that can sing like me. [Em]

**Chorus** \* 2 then

there [D] ain't nobody that can sing like me. [Em] [D] [Em]
