

## Wild Rover V2

[E] [Esus4] [E] [Esus4]

(Capo on 1 for Alan)

I've [E] been a wild [B7] rover for [E] many a [A] year  
 And I've [E] spent all me [B7] money on whiskey and [E] beer  
 But now I'm re[B7]turning with [E] gold in great [A] store  
 And I [E] never will [B7] play the wild rover no [E] more

And it's [B7] no nay never, [E] no nay never no [A] more  
 Will I [E] play the wild [A] rover, no [E] never, [B7] no [E] more

I went [E] into an [B7] alehouse I [E] used to fre[A]quent  
 And I [E] told the land [B7] lady me money was [E] spent  
 I asked her for [B7] credit, she [E] answered me [A] "Nay!"  
 "Such a [E] custom as [B7] yours I could have any [E] day!"

And it's [B7] no nay never, [E] no nay never no [A] more  
 Will I [E] play the wild [A] rover, no [E] never, [B7] no [E] more

I took [E] out of me [B7] pocket [E] ten sovereigns [A] bright  
 And the [E] landlady's [B7] eyes opened wide with de[E]light  
 She [E] said: "I have [B7] whiskeys and [E] wines of the [A] best!"  
 And the [E] words that you [B7] told me were only in [E] jest!"

And it's [B7] no nay never, [E] no nay never no [A] more  
 Will I [E] play the wild [A] rover, no [E] never, [B7] no [E] more

I'll go [E] home to my [B7] parents, [E] confess what I've [A] done  
 And [E] ask them to [B7] pardon their prodigal [E] son  
 And when they've car[B7]essed me as [E] oftimes be[A]fore  
 I [E] never will [B7] play the wild rover no [E] more.

And it's [B7] no nay never, [E] no nay never no [A] more  
 Will I [E] play the wild [A] rover, no [E] never, [B7] no [E] more

And it's [B7] no nay never, [E] no nay never no [A] more  
 Will I [E] play the wild [A] rover, no [E] never, [B7] no [E] more
