

# Wind Beneath My Wings

*Bette Midler*

[C]It must have been cold there in my [F]shadow,  
[C]to never have sunlight on your [F]face.  
[Dm]You were content to let me [G]shine; that's your way.  
[Dm]You always walked a step [G]behind.

[C]So I was the one with all the [F]glory,  
[C]while you were the one with all the [F]strain.  
[Dm]A beautiful face without a [G]name; for so long.  
[Dm]A beautiful smile to hide the [G]pain.

[Am]Did you ever [F]know that you're my [C]hero,  
[Am]and everything [F]I would like to [C]be?  
[Am]I can fly high[F]er than an [C]eagle  
[F]for you are the [G]wind beneath my [C]wings.

[C]It might have appeared to go un[F]noticed,  
[C]but I've got it all here in my [F]heart.  
[Dm]I want you to know I know the [G]truth, of course I know it.  
[Dm]I would be nothing without [G]you.

[Am]Did you ever [F]know that you're my [C]hero,  
[Am]and everything [F]I would like to [C]be?  
[Am]I can fly high[F]er than an [C]eagle  
[F]for you are the [G]wind beneath my [C]wings.

[Am]Did you ever [F]know that you're my [C]hero,  
[Am]and everything [F]I would like to [C]be?  
[Am]I can fly high[F]er than an [C]eagle  
[F]for you are the [G]wind beneath my [C]wings.  
[F]for you are the [G]wind beneath my [C]wings.
