

You're My Best Friend

Don Williams

[G] You placed gold [D7] on my [G] finger
You brought [C] love like I've never [G] known
You gave life to our [C] children
And to [G] me, a [D7] reason to go [G] on.

Chorus:

You're my friend [C] when I'm [G] hungry
You're my [D7] shelter from the troubled [G] winds
You're my anchor in life's [C] oceans
But most of [G] all [D7] you're my best [G] friend

When I need hope [D7] and inspir [G] ation
You're always [C] strong when I'm tired and [G] weak
I could search this whole world [C] over
You'd still be [G] every[D7] thing that I [G] need.

Repeat Chorus twice

You're my friend [C] when I'm [G] hungry
You're my [D7] shelter from the troubled [G] winds
You're my anchor in life's [C] oceans
But most of [G] all [D7] you're my best [G] friend
