You May Be Right   *Billy Joel*

[C] Friday night I crashed your party,   Saturday I said I'm sorry
Sunday came and trashed me out a[G7]gain
I was [Dm] only having fun wasn't [Bb] hurting anyone
And we [G7] all enjoyed the weekend for a [C] change (riff x 2)

[C] I've been stranded in the combat zone, I walked through Bedford Stuy alone
Even rode my motorcycle in the [G7] rain
And you [Dm] told me not to drive but I [Bb] made it home alive
So you [G7] said that only proves that I'm in[C]sane

You may be [G7] right I may be [C] crazy
But it [G7] just may be a [F] lunatic you're [Am] looking for [C]
Turn out the [G7] light don't try to [C] save me
You may be [F] wrong for all I [G7] know but you may be [C] right [C] (riff x 4)

[C] Remember how I found you there, alone in your electric chair
I told you dirty jokes until you [G7] smiled
You were [Dm] lonely for a man I said [Bb] take me as I am
'Cause you [G7] might enjoy some madness for a [C] while (riff x2)

[C] Now think of all the years you tried to find someone to satisfy you
I might be as crazy as you [G7] say
If I'm [Dm] crazy then it's true that it's [Bb] all because of you
And you [G7] wouldn't want me any other [C] way

You may be [G7] right I may be [C] crazy
But it [G7] just may be a [F] lunatic you're [Am] looking for [C]
It's too late to [G7] fight it's too late to [C] change me
You may be [F] wrong for all I [G7] know but you may be [C] right (riff x 2)

You may be [F] wrong for all I [G7] know but you may be [C] right (riff x 2)
