Old Crow Medicine Show

[A]

Hardest **[A]** work that ever I done, bent beneath that burning sun
 Hauling that **[E]** tobacco `round to **[A]** cure
 I would **[A]** chop that wicked weed, till ma hands and fingers bleed
 Working like a **[E]** mule, maybe **[A]** more
 Well we've been **[D]** farming on this land... since **[A]** eighteen hundred ten
 Through **[F#m]** flood, drought and **[B]** pestilence and **[E]** war
 Now I **[A]** sure am sad to say, that I've lived to see this day
 And we don't grow **[E]** tobacco `round here no **[A]** more

[Chorus]

We don't **[A]** gr **[D]** ow..., we don't **[A]** grow
 Oh, it's still the only work we'll ever **[E]** know
 We don't **[D]** gr **[Dm]** ow..., we don't **[A]** grow
 We don't grow **[E]** tobacco `round here no **[A]** more

Grandpa **[A]** told me this I know, change is comin', won't be slow
 Knocking just like a **[E]** thunder at the **[A]** door
 Plowed up **[A]** fields are all around, empty barns just fallin' down
 Well, Iron weeds **[E]** comin' up through the **[A]** floor
 Once we **[D]** grewed it by the pound, now the **[A]** kids all moved to town
 And **[F#m]** all that's left are **[B]** elderly and **[E]** poor
 Now I **[A]** sure am sad to say, that I've lived to see this day
 And we don't grow **[E]** tobacco `round here no **[A]** more

[Chorus]

We don't **[A]** gr **[D]** ow..., we don't **[A]** grow
 Oh, it's still the only work we'll ever **[E]** know
 We don't **[D]** gr **[Dm]** ow..., we don't **[A]** grow
 We don't grow **[E]** tobacco `round here no **[A]** more
