

Nothing Rhymed

Gilbert O'Sullivan

If I [Am]give up the seat I've been [E7]saving
 To some [Am]elderly lady or [F]man
 Am I [G]being a good boy
 Am I your [G7]pride and [C]joy
 Mother [F]please if your [A#]pleased say I[G] am

And if [Am]while in the course of my [E7]duty
 I per[Am]form an unfortunate [F]take
 Would you [G]punish me so,
 unbe[G7]lievably [C]so
 Never a[F]gain will I [A#]make that mis[C]take

This [Fsus4]feeling inside me could [C7]never deny me
 The right to be wrong if I [F]choose
 And this [Fm]pleasure I get
 From say [C]winning a bet
 Is to [A#]lose [G]

When I'm [Am]drinking my Bonaparte [E7]Shandy
 Eating [Am]more than enough apple [F]pies
 Will I [G]glance at my screen and see [G7]real human [C]beings
 Starve to [F]death
 Right in [A#]front of my [G]eyes

Nothing [Am]old, nothing new, nothing [E7]ventured
 Nothing [Am]gained, nothing [Am7]still-born or [F]lost
 Nothing [G]further than proof nothing [G7]wilder than [C]youth
 Nothing [F]older than time nothing [G]sweeter than wine
 Nothing [E]physically, [E7]recklessly, [Am]hopelessly [Am7]blind
 Nothing [F]I couldn't say
 Nothing [Dm]why 'cos to[G7]day
 Nothing [C]rhymed
