

She Belongs To Me

Bob Dylan

Capo II

She's got [G]everything she needs,
 She's an [C]artist, she don't look [G]back.[C][G]
 She's got [C]everything she needs,
 She's an artist, she don't look [G]back.[C][G]
 She can take the [A]dark out of the night time
 And [C]paint the daytime [G]black.[C][G]

You will [G]start out standing
 [C]Proud to steal her anything she [G]sees.[C][G]
 You will [C]start out standing
 Proud to steal her anything she [G]sees.[C][G]
 But you will [A]wind up peeking through her keyhole
 [C]Down upon your [G]knees.[C][G]

[G]She never stumbles,
 She's got [C]no place to [G]fall.[C][G]
 She [C]never stumbles,
 She's got no place to [G]fall.[C][G]
 She's [A]nobody's child,
 The [C]Law can't touch her at [G]all.[C][G]

She [G]wears an Egyptian ring
 That [C]sparkles before she [G]speaks.[C][G]
 She [C]wears an Egyptian ring
 That sparkles before she [G]speaks.[C][G]
 She's a [A]hypnotist collector,
 [C]You are a walking ant[G]ique.[C][G]

Bow [G]down to her on Sunday,
 [C]Salute her when her birthday [G]comes.[C][G]
 Bow [C]down to her on Sunday,
 Salute her when her birthday [G]comes.[C][G]
 For [A]Halloween give her a trumpet
 And for [C]Christmas, give her a [G]drum.[CG]

She's got [G]everything she needs,
 She's an [C]artist, she don't look [G]back.[C][G]
 She's got [C]everything she needs,
 She's an artist, she don't look [G]back.[C][G]
 She can take the [A]dark out of the night time
 And [C]paint the daytime [G]black.[C][G]
