

# Beg Steal Borrow

*Ray LaMontagne*

(Intro)

So your **[G]** home town's bringing you down  
 Are ya **[F]** drowning in the **[C]** small talk and the **[G]** chatter - **[F][C]**  
 Or you gonna **[G]** step into line like your daddy done  
**[F]** Punching the time and **[C]** climbing life's long **[G]** ladder - **[F][C]**

You've been **[G]** howling at the moon like a slack jaw fool  
 And **[F]** breaking every **[C]** rule they can **[G]** throw on - **[F][C]**  
 But **[G]** one of these days it's gonna be right soon  
 You'll **[F]** find your legs and **[C]** go and you'll **[G]** stay gone - **[F][C]**  
**[D]** Young man **[F]** full of big plans and **[C]** thinking about **[G]** tomorrow  
**[D]** Young man **[F]** going to make a stand  
 You **[C]** beg, steal you **[A#]** borrow  
 Ya beg ya steal ya **[G]** borrow  
**[C][F] [G]**

Well **[G]** all the friends that you knew in school  
 They **[F]** used to be so **[C]** cool and they just **[G]** bore you - **[F][C]**  
 Well **[G]** look at them now, already pulling the plow  
 So **[F]** Quick to take to **[C]** grain like some **[G]** old mule - **[F][C]**

**[D]** Young man **[F]** full of big plans and **[C]** thinking about **[G]** tomorrow  
**[D]** Young man **[F]** going to make a stand  
 You **[C]** beg, steal you **[A#]** borrow  
 Ya beg ya steal ya **[G]** borrow  
**[C] [F] [G]**

(Bridge)

**[Dm]**Dreaming of the day  
 You're gonna pack your bags  
 Put the miles **[G]** away  
 Oh, just **[Dm]** grab your girl and go  
 Where no one knows you  
 What will all the old folks **[G]** say?  
**[C][F]**

So your **[G]** home town's bringing you down  
 Are ya **[F]** drowning in the **[C]** small talk and the **[G]** chatter - **[F][C]**  
 Or you gonna **[G]** step into line like your daddy done  
**[F]** Punching the time and **[C]** climbing life's long **[G]** ladder - **[F][C]**

**[D]** Young man **[F]** full of big plans and **[C]** thinking about **[G]** tomorrow  
**[D]** Young man **[F]** going to make a stand  
 You **[C]** beg, steal you **[A#]** borrow  
 Ya beg ya steal ya **[G]** borrow  
**[C][F] [G]**
