

You Make It Real For Me V2

James Morrison

[Am] [G] [F] [C] [Am] [G] [F] [C]

There's so much [C]craziness sur[Am]rounding me,
 There's so much [F]going on it gets [G]hard to breathe
 When all my [Am]faith has gone, you bring it [F]back to [C]me,
 [Am]You make it [G]real for [F]me [C]

When I'm not [C]sure of my [Am]priorities,
 When I've lost [F]sight of where I'm [G]meant to be
 Like holy[Am] water washing [F]over [C]me,
 [Am]You make it [G]real for [F]me [C]

And [G]Iii[Am]iii'm [F]running to you[C] baby,
 And [G]yoo[Am]oou are [F]the only one who [C]saves me
 That's [G]why[Am]yyyy I've [F]been missing you [C]lately,
 'Cause [Am]you make it [G]real for [F]me [C]

When my [C]head is strong, but my [Am]heart is weak,
 I'm full of [F]arrogance and un[G]certainty
 When I can't [Am]find the words, you teach my [F]heart to [C]speak,
 [Am]You make it [G]real for [F]me [C]

And [G]Iii[Am]iii'm [F]running to you[C] baby,
 And [G]yoo[Am]oou are [F]the only one who [C]saves me
 That's [G]why[Am]yyyy I've [F]been missing you [C]lately,
 'Cause [Am]you make it [G]real for [F]me [C]

[G] Everybody's talking in [F]words I don't under[C]stand,
 [G] You've got to be the only one who [F]knows just who I [C]am
 [Em] And you're shining in the distance,
 [F] And I hope I can make it through
 'Cause [D]the only place that I want to be is [G]right back home with you [NC]

I guess there's [C]so much more I [Am]have to learn,
 But if you're [F]here with me, I know which [G]way to turn
 You always [Am]give me somewhere, somewhere [F]I can [C]run,
 [Am]You make it [G]real for [F]me [C]

And [G]Iii[Am]iii'm [F]running to you[C] baby,
 And [G]yoo[Am]oou are [F]the only one who [C]saves me
 That's [G]why[Am]yyyy I've [F]been missing you [C]lately,
 'Cause [Am]you make it [G]real for [F]me [C]
 'Cause [Am]you make it [G]real for [F]me [C]
