[C]You say you wander your **[F]**own- land-, but **[Dm7]**when I think about it,
I **[G7]**don't see how you can! **[C][Cmaj7] [C][Cmaj7]**

You're **[C]**aching, you're breaking, and **[F]**I can see the pain in your eyes... says,
'Every**[Dm]**body's changing, and **[G]**I don't know why! **[C][Cmaj7] [C][Cmaj7]**

[F] So little **[G]**time, **[C]**try to understand that **[F]**I'm..
[Dm]trying to make a move, Just to **[G]**stay in the game,
I... **[Em7]**try to stay awake, and re-**[A]**member my name,
But... every**[Dm]**body's changing, and **[G]**I don't feel the same! **[C][Cmaj7]**
[C][Cmaj7]

You're **[C]**gone from here, soon you will disappear, **[F]**fading into beautiful light,
'Cause every**[Dm]**body's changing, and**[G]** I don't feel right!**[C][Cmaj7]**
