

I'll Be your Baby Tonight

Bob Dylan

Close your **[C]**Eyes, close the door
You don't have to **[D]**worry any more
[F]I'll be your **[G]**baby to**[C]**night

Shut the **[C]**light, shut the shade
You don't have to be **[D]**afraid
[F]I'll be your **[G]**baby to**[C]**night

Well, the **[F]**mockingbird's going to sail away
[C]We're gonna forget it
Big **[D]** old moon's gonna shine like a spoon, but
[G]We're gonna let it, you won't regret it

Kick your **[C]**shoes off, do not fear
Bring that **[D]**bottle over here
[F]I'll be your **[G]**baby to**[C]**night
