

She's Electric

Oasis

[C] [E] [Am] [F] (x3) [G#] [A#] [C]

[C] She's [E] el[Am]ectric [F], she's in a [C] family [E] full of [Am] eccentrics [F],
She's [C] done things I've [E] never ex[Am]pected [F], and I [G#] need [A#] more [C]
time.

She's [E] got a [Am] sister [F], and [C] God only [E] knows how I've [Am] missed
her [F],

And on the [C] palm of her [E] hand is a [Am] blister [F], and I [G#] need [A#] more
[C] time.

Chorus

[F] And I [Fmaj7] want you to [F] know, I've got my [Fmaj7] mind made up now [F],
but I [Fmaj7] need more [C] time [C7]

[F] And I [Fmaj7] want you to [F] say, do you know [Fmaj7] what I'm saying? [F]

But I [Fmaj7] need more,

Cause [C] I'll be you and you'll be me,

There's [C7] lots and lots for us to see,

[Dm7] Lots and lots for us to do,

[G] She's electric, can I be electric too?

Instrumental

[C] [E] [Am] [F] (x3) [G#] [A#] [C]

[C] She's [E] got a [Am] brother [F], we [C] don't get on [E] with one [Am] another
[F],

But [C] I quite [E] fancy her [Am] mother [F], and I [G#] think that [A#] she likes [C]
me

[C] She's [E] got a [Am] cousin [F], in [C] fact she's got [E] bout a [Am] dozen [F]

[C] She's got [E] one in the [Am] oven [F], but it's [G#] nothing to [A#] do with me
[C].

Repeat Chorus, then

[G#] [A#] [C] [G#] [A#] Can [C] I be electric [G#] too? [A#] [C]

[G#] [A#] Can [C] I be electric [G#] too? [A#] [C]

[G#] [A#] Can [C] I be electric [G#] too? [A#] [C]

[G#] Ah, [A#] Ah, [C]
