

New World In The Morning In A V2

Roger Whittaker

[A]Everybody talks about a [F#m]new world in the morning,
 [Bm]new world in the [D]morning, so [A]they sa---[E]ay.
 Well, [A]I myself don't talk about a [F#m]new world in the morning,
 [Bm]new world in the [D]morning that's [F#m]today.

And I can [D]feel a new [E]tomorrow coming [A]on,
 and I [D]don't know why I [E]have to make a [A]so---[E]ng.
 Well, [A]everybody talks about a [F#m]new world in the morning,
 [Bm]new world in the [D]morning takes too [F#m]long.

I [A]met a man who had a dream he'd [F#m]had since he was twenty,
 I [Bm]met that man when [D]he was [A]eightyo[E]---ne.
 He [A]said, too many folks just stand and [F#m]wait until the morning,
 [Bm]don't they know [D]tomorrow never [F#m]comes.

*And he [D]would feel a [E]new tomorrow [A]coming on,
 and when he [D]smiled his eyes would [E]twinkle up in [A]fu---[E]un.

[A]Everybody talks about a [F#m]new world in the morning,
 [Bm]new world in the [D]morning takes too [F#m]long.
 And I can [D]feel a new to[E]morrow coming [A]on.
 and I [D]don't know why I [E]have to make a [A]so---[E]ng.
 [A]Everybody talks about a [F#m]new world in the morning,
 [Bm]new world in the [D]morning takes too [F#m]long.
